

Ministry requests project information

Ministry of Federal Affairs and Local Development (MoFALD) successfully held a stakeholder meeting on Community Based Disaster Risk Reduction (CBDRR) in Kathmandu on 29 November. The meeting was an opportunity to bring together the implementing partners of CBDRR in Nepal with MoFALD to discuss the importance of the development of a national level picture of CBDRR activities, using Flagship 4's project tracking.

As a follow-up to the meeting, **MoFALD requests that all stakeholders who are implementing CBDRR projects or initiatives, to complete the Flagship 4 [project registration process](#) by 14 December 2012.**

How to proceed?

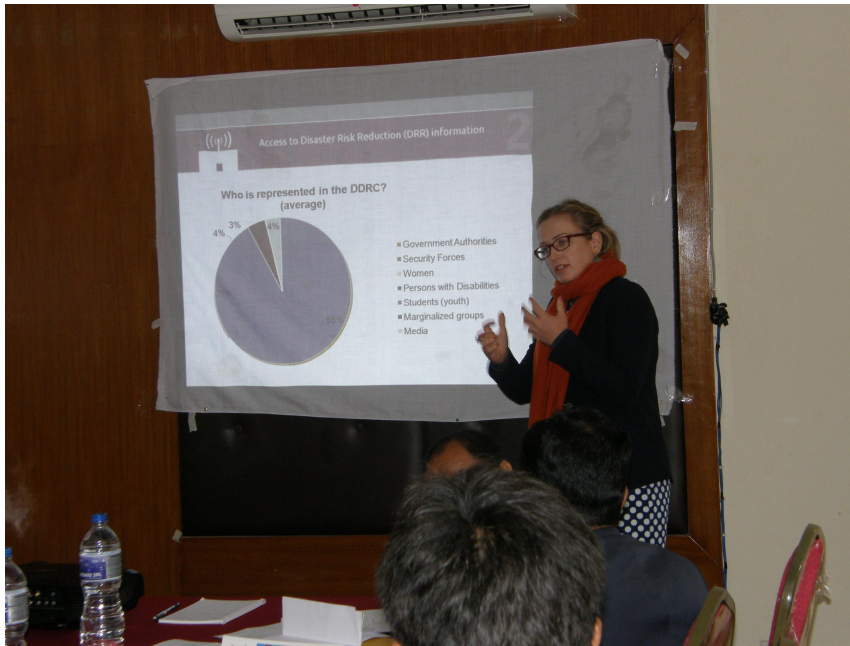

Do you know if your project has been recorded?

You can check the project information from [Flagship 4 Information Platform](#).

--> If your project is not in the database, you can [register it online](#).

--> If your project is registered, and it has been running for more than six months, please also fill the [Project Tracking Survey](#).

Flagship 4 team is happy to assist you in filling the information. If you need any support in registering your information, please contact the Flagship 4 Coordinator flagship4@nrrc.org.np.

Preliminary results of the Project Tracking Survey were presented in the stakeholder meeting.
